I. Purpose of Exhibitions in the Library

Exhibitions in the J. Willard Marriott Library are designed to enlighten students, faculty, staff, and the community; foster debate and discussion on a wide range of issues; and promote an awareness of library collections, services and events. Library exhibitions may highlight significant university, local or national events particularly as they relate to the library’s resources or the general interest of its patrons.

Exhibitions support and enhance the Marriott Library’s mission to “inspire the creation, discovery, and use of knowledge for Utah and the world.”

Library exhibitions should be informative, educational, and aesthetic in nature. The subject matter of the exhibitions should be appropriate to the interests of the general academic community and presented on a level appropriate for a university library. In addition to the intellectual content, the physical presentation must incorporate informed principles of design and composition that clearly present ideas and narratives in a visually compelling way.

In accordance with the American Library Association’s Bill of Rights, the J. Willard Marriott Library will not exclude exhibitions “because of the origin, background, or views of those contributing to their creation.” Likewise, exhibition material will not be “proscribed or removed because of partisan or doctrinal disapproval.” The library makes exhibition spaces available “on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.” (http://www.ala.org/ala/issuesadvocacy/intfreedom/librarybill/index.cfm)

II. Exhibition Team

The primary role of the Exhibition Team is to coordinate exhibitions within the J. Willard Marriott Library. The Exhibition Team reports to the Managing Director of the Book Arts Program and works directly with the Exhibition Advisory Committee (EAC) to jointly review, approve, and schedule proposed exhibitions at the library. Accepted applicants and the Exhibition Team work together to produce exhibitions. The Exhibition Team is not responsible for curating exhibitions. The Exhibition Team, in coordination with the library designer will provide labels, signage, and available installation materials for approved exhibitions upon request. The Exhibition Team oversees all installation and de-installation of exhibitions in the library with the exception of those located in the Fine Arts & Architecture Library and Special Collections Gallery. The Exhibition Team has final approval of an exhibition’s design and appearance and makes all decisions regarding the exhibition’s scheduling, the placement of the exhibition within the library, and the
content of publicity. The Exhibition Team will assist in reception scheduling for those applicants who request one, however, reception coordination, preparation, and clean up are solely the responsibility of the applicant.

III. Review Process: Proposals, Review and Approval Procedures

Completed proposal forms must be submitted to the Exhibitions Coordinator, Mary Toscano, at mary.toscano@utah.edu. Both internal applicants (Marriott Library faculty and staff, University of Utah student groups, and campus faculty and staff) and external applicants (off-campus groups) are encouraged to submit proposals for review six months prior to intended opening.

Once accepted, the proposed exhibition must be fully curated three weeks before opening. A fully curated exhibit includes final copy for labels and signage; the submission of a working checklist of all exhibition materials and their descriptions; organization of final layout; and the values of all items along with the total value of the exhibition. At the three week deadline all materials must be ready to exhibit.

The Exhibition Team and EAC will review all proposals monthly. Proposals are evaluated on the purpose and content of the proposal; estimated time and production costs; relevance to the library and its patrons as well as the University, teaching and research, and the student body; and any existing exhibition scheduling commitments. Preference is given to applicants whose proposals are submitted six months in advance. Proposals submitted after the sixth month deadline will be considered only if staffing and resources are available. An applicant may be contacted during the review process for additional information regarding the exhibition. The Exhibition Team and EAC reserve the right to accept or politely decline exhibition requests. The Exhibition Team has final approval of an exhibition’s design and appearance and makes all decisions regarding the exhibition’s scheduling, the placement of the exhibition within the library, and the content of publicity.

Applicants will be notified following the approval of an exhibition proposal. Applicants must confirm they received the acceptance letter within two weeks of notification or the Exhibition Team and EAC will assume the applicant is no longer interested. Approved applicants will be expected to work with the Exhibition Team regarding preparation deadlines leading up to the exhibition’s opening date. Upon approval, applicants will receive the Exhibition Acceptance Form, a tailored exhibition preparation schedule detailing the dates, deadlines, and responsibilities leading up to their exhibition’s opening. Applicants are expected to review the Exhibition Acceptance Form and contract with the J. Willard Marriott Library to fulfill their responsibilities. The Exhibition Team reserves the right to cancel an exhibition if it is not exhibit-ready.

IV. Applicants

Internal applicants are defined as on campus persons or groups wishing to exhibit in the J. Willard Marriott Library. External applicants are defined as off-campus persons or groups wishing to exhibit in the J. Willard Marriott Library. All applicants are expected to fully curate their exhibitions. This means applicants must provide high quality, exhibit-ready content to the Exhibition Team by the dates assigned in the Exhibition Acceptance Form. The Exhibition Team can provide labels, signage, and available installation materials upon request; the applicant must supply all other necessities. If shipping arrangements are necessary, the applicant is responsible for the cost and preparation of such, both to and from the library. Applicants are also responsible for the coordination of receptions corresponding to their exhibition.

Proposals submitted later than six months in advance will be considered only if staffing and resources are available. Exhibitions will run six to eight weeks. Upon approval, applicants will receive the Exhibition Acceptance Form, a tailored exhibition preparation schedule detailing the dates, deadlines and responsibilities leading up to their exhibition’s opening. All materials must be picked up from the library no later than two weeks after the exhibition closes. If materials have not been picked up after two weeks they
become the property of the J. Willard Marriott Library and may be added to the collection or disposed of.
