Silverback Setup Instructions

1. Go to <http://silverbackapp.com/>
2. Scroll down and watch the **Video demo**
3. Ask the user to complete the testing (See [Silverback User End Instructions](#), posted next to the Mac computer in the Usability Lab)
4. *Notice: The file will be deleted when the user logs out. When the user is done testing, have them export the file to an external hard drive.
